## INSTRUCTIONS FOR TRANSFER

A member in good standing may be transferred from one unit of the Society to another upon application to International Headquarters. All applications must be processed through International Headquarters. The process is as follows:

- ◆ Fill out and send to International Headquarters the Application for Transfer (Form TR-A). Or e-mail International Headquarters to give the information requested on the application form. It is not necessary to have the name of a chapter to which to transfer. International Headquarters will provide help in locating a suitable chapter.
- ◆ When the information is complete and membership standing is verified, International Headquarters will process the transfer. The member will receive a copy of the Notice of Transfer, and copies will be sent to the presidents and treasurers of the two chapters involved and to the state treasurer(s).
- ◆ Keep dues payment current. Dues are payable between July 1 and October 31. If a new chapter has not been located and the transfer cannot be processed before October 31, members should pay dues to their current chapter. Upon the member's request, the current chapter may waive *chapter* dues for the next year since the member will not be in attendance at its meetings. The member will then have a full year to visit chapters and complete the transfer before the next October 31 deadline.
